

Singles of Grace is an opportunity for you to be a part of a community that studies God's Word while connecting with other singles. We gather on Thursday evenings to explore various topics through DVD Bible Studies followed up with round table discussions. Studies center around four major topics of interest to singles: relationships, life purpose, life transitions and identity/character. If you want to draw closer to God and connect with other singles, this is the place for you. Other ways to connect with Singles is through our social events and opportunities for service planned throughout the year.
