Bible Story: Adam & Eve (*Genesis 2:15, 19-20*)

Big Idea: I can love God's creation.

Bible Verse: 1 John 4:19, "We love each other because he loved us first."

Watch the teaching video on Grace Kids' YouTube page or read about creation in a Bible. Then choose a few activities below to do together.

- Discuss the story. What did God create in our story today? (*The whole world!*) What is your favorite thing that God made? What job did God give to Adam and Eve? (*To take care of the world He made.*)
- Make an Earth craft. Get a paper plate or cut paper into a circle. Glue on small pieces of blue and green paper, or color/paint it with blue & green art supplies. Write the Big Idea on it and hang it up to remind you to love & care for the Earth.
- Say the Bible Verse together with motions:
 - 1 John 4:19, (*Hold hands together to make book*)
 - We love each other (*Make heart with hands*)
 - because He (*Point up*)
 - loved us first. (*Point to self*)
- Review the Big Idea. Say the Big Idea together a few times and make up motions. Print & cut out Earth shapes, and set them on the table. Encourage your child to use tongs or tweezers to pick them up. Say the Big Idea together each time.
- Show your love for God's creation. Set up a recycling station at your house. Pick up litter when you see it. Go for a walk and appreciate the beautiful world God made. There are so many fun ways to love and care for the Earth God created for us! We can show love for God by caring for His creation.
